

# **BIG RIG H.O.T.S.**

**JUNE 13,14, &15, 2019**

## **EVENT SUMMARY**

---

The Alberta Vehicle Extrication Association (AVEA) is pleased to announce that Leduc County Fire Services will be co-hosting the 2019 Alberta Big Rig H.O.T. Symposium, June 13,14, &15, 2019 @ Leduc County Fire Station – Nisku, 606-21 Ave.

The Alberta Vehicle Extrication Association (AVEA) is a Not for Profit functioning organization that is committed to contributing to the reduction of injury and deaths of all Albertans involved in transportation emergencies; and to enhance the health and safety of all of our emergency responders and to assist all of our members in achieving those commitments within their local communities.

This three-day full day learning symposium will provide an opportunity for firefighters from all over Canada to participate in, and witness, extremely complicated large vehicle extrications. Participants of this symposium will have the opportunity to be involved in four workshops that demonstrate “Under-runs”, “Rollovers” and “Complicated Stabilization & Extrication Techniques”. Including in our new delivery of a “back to basics work shop”. Many emergency departments, as a result of the Big Rig H.O.T. course, will benefit from the new techniques learned and tools used to improve their rescue skills and pre-hospital care management.
