

BIG RIG H.O.T.S.

SEPTEMBER 9, 10, 11, 2021

EVENT SUMMARY

The Alberta Vehicle Extrication Association (AVEA) is pleased to announce that Leduc County Fire Services will be co-hosting the 2021 Alberta Big Rig H.O.T. Symposium, September 9, 10, 11, 2021 @ Leduc County Fire Station – Nisku, 606-21 Ave.

The Alberta Vehicle Extrication Association (AVEA) is a Not for Profit functioning organization that is committed to contributing to the reduction of injury and deaths of all Albertans involved in transportation emergencies; and to enhance the health and safety of all of our emergency responders and to assist all of our members in achieving those commitments within their local communities.

This three-day learning symposium will provide an opportunity for firefighters from all over Canada to participate in, and witness, extremely complicated large vehicle extrications. Participants of this symposium will have the opportunity to be involved in four workshops that demonstrate “Under-runs”, “Rollovers” and “Complicated Stabilization & Extrication Techniques”. Including in our new delivery of a “back to basics work shop”. Many emergency departments, as a result of the Big Rig H.O.T. course, will benefit from the new techniques learned and tools used to improve their rescue skills and pre-hospital care management.

The AHS COVID 19 protocols may have an impact on the delivery of Big Rig HOTS. AVEA is hoping that these AHS protocols will be relaxed before the commencement of this course delivery this September. Big Rig HOTS may be cancelled within 30 days of training course dates based on AHS COVID 19 Protocols.
