

ADVANCED HEAVY RESCUE SYMPOSIUM

JUNE 18 & 19, 2022

EVENT SUMMARY

The Alberta Vehicle Extrication Association (AVEA) is pleased to announce that we will be hosting the 2022 Advanced Heavy Rescue Symposium, June 18 & 19, 2022 @ the Olds Fire Department Training Grounds 3501 70th Ave. Olds, AB.

The Alberta Vehicle Extrication Association (AVEA) is a Not for Profit functioning organization that is committed to contributing to the reduction of injury and deaths of all Albertans involved in transportation emergencies; and to enhance the health and safety of all of our emergency responders and to assist all of our members in achieving those commitments within their local communities.

This learning symposium will provide an opportunity for firefighters from all over Canada and the USA to participate in and witness extremely complicated large vehicle extrications. Including Buses, B-train rollover onto multiple vehicles, Vehicles hanging from a structure scenario, car in trench etc. Participants of this symposium will have the opportunity to be involved in workshops that demonstrate "Advanced Stabilization & Extrication Techniques" with structural lifting equipment in conjunction with heavy wreckers. Many emergency departments, as a result of the Advanced Heavy Rescue course, will benefit from the new techniques learned and tools used to improve their rescue skills and pre-hospital care management.
