

WESTERN CANADIAN RESCUE SYMPOSIUM

JUNE 20-23, 2024

EVENT SUMMARY

The Alberta Vehicle Extrication Association (AVEA) is pleased to announce the inaugural Western Canadian Rescue Symposium, in cooperation with Olds Fire Department on June 20-23, 2024. WCRS is a 4 day event, which is an opportunity for firefighters from all over North America to participate in, heavy rescue/extrication, advanced light vehicle extrication, farm extrication and livestock management in rescue situations. This event combines all of AVEA's past training courses into one big 4 day event, allowing departments to participate in 2 days of light/heavy vehicle rescue/extrication and 2 days of farm extrication /livestock management. Departments can also choose to participate in either the light/heavy extrication or the farm/livestock extrication at a reduced cost and fit the training needs of their department.

The Alberta Vehicle Extrication Association (AVEA) is a Not for Profit functioning organization that is committed to contributing to the reduction of injury and deaths of all Albertans involved in transportation emergencies; and to enhance the health and safety of all of our emergency responders and to assist all of our members in achieving those commitments within their local communities.

Authorization / Release of Liability / Waiver

WARNING: BY SIGNING THIS DOCUMENT YOU WILL GIVE UP CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO SUE, CLAIM DAMAGES, AND SEEK COMPENSATION.

Caution – Physical Requirement. Applicant’s supervisor must read and sign the following as part of this application, if noted in course description.

Many training programs are physically demanding. If the supervisor or the applicants have any concerns about the applicant’s ability to do any of the following activities, personal protective equipment weighing at least 13 kg (30 pounds), you must contact Alberta Vehicle Extrication Association. (403-669-0750) to provide additional relevant information at the time of submitting the application form:

- a) Crawling, bending, lifting, pushing, and climbing in restrictive areas;
- b) Carrying, pulling, and/or pushing a weighted object (9 to 45 kg/20 to 100 pounds) both with and without assistance;
- c) Performing the tasks set out in a) and b) above combined with less strenuous tasks for 2-hour duration

I have read and understood the preceding. I am aware that there are inherent risks of injury, loss or damage associated with participating in the fire / rescue training, including the risks inherent in rescue operations in heavy physical activity and in working with rescue equipment and in extreme temperatures. I acknowledge that I am under no obligation to participate in the training or in any specific activity covered during the training and do so of my own free will. I agree to be solely responsible for any injury, loss or damage which I might sustain while participating in any Alberta Vehicle Extrication Association training, course/series and agree to release, hold harmless and indemnify Alberta Vehicle Extrication Association, hosts, facilitators and their respective directors, officers employees, and volunteers from any and all responsibility for any injury, loss or damage that I may incur while participating in the training. **All Participants’ must be covered under Workers Compensation Boards by their respective employer.**
